## PRINCIPAL'S MESSAGE

The millennium is brimming with potential. The world is seeing rapid advances in technical and educational aspects. Value of individual liberty and achievement are making the youth ride high on the wave of aspiration. So, to equip the youth to reach these heights was born the SPRING BOARD ACADEMY under the chairmanship of Sri. Vishnu Manchu Garu, who wants the youth to achieve success in life.

At SPRING BOARD, children will learn to grow as individuals, discover themselves as well as appreciate the nuances and the value of the world around them. We also develop sense of confidence among children and an appreciation for others that carries over from the school to the family, to the community and finally to the society.

I am indeed grateful to our parents for their enormous support and wish to receive the same in our future endeavors.

Kowsalya M.B

Principal

### **Sankranthi Celebrations: “A new beginning on new year day”.**

Makara Sankranthi is among the most auspicious occasions for Hindus and is celebrated in almost all parts of India. It is a harvest festival and is celebrated in many cultural forms with immense devotion, fervor and cheerfulness. It was celebrated on 10-01-2017 with lot of pomp and joy. Children participated with a lot of interest. Children dressed in traditional attire looked beautiful. The school premises was decorated with colorful rangolis. Variety of programs like skit, speech, song, fortune-telling etc. were conducted.

### **Sports Day:**

**“A champion is someone who gets up even when he can’t”**

Sports Day was another important event in our journey. It was conducted on 21-01-2017. Students took an oath and promised to play with true sportsmanship. Many team and individual events were conducted. The team events included Throw ball, Volley ball, Kho-kho and Tennikoit. Individual events like Running race, Long jump, Sack race, Skipping etc. were conducted, and children enjoyed a lot.

## Republic Day Celebrations

**“ Get together, be the strength of the nation and help it reach greatest heights!”**

Republic Day was celebrated on 26-01-2017. The flag hoisting was done by the Principal followed by a speech on National Integration.

Students performed on patriotic songs with passion and enthusiasm and also delivered speeches on the drafting of the constitution. Patriotic songs were sung by the students and prizes were distributed for to winners, followed by distribution of sweets to the children.

## Science Fair:

**“When science fair comes we just sit around and kick out our ideas”**

National Science Day was celebrated on 28-02-2017. Many exhibits and charts were put on display. Working models were also prepared. Topics covered were Waste water management, Rain water harvesting, Energy conservation, Food pyramid, Food chain, Electricity from waste, Habitats, Types of houses, Modes of transport, Growth of plant, Dip irrigation, Volcanic eruption, Uses of indoor plants, Functioning of heart, etc. Children took part with a lot of enthusiasm.

**Thank you**
