**DEAR PARENTS AND WELL-WISHERS,**

Greetings!!

***“Education is not the learning of facts, but the training of the mind to think.”***  
**Albert Einstein**

In today’s world of globalization, there is always scope to excel for the one who acquires 21<sup>st</sup> century skills. Spring Board understands the importance of holistic development of a child and always tries to impart value based education to make the kids future ready. All our strategies and methodologies are relevant to the socio-economic needs of the times and also pave the way to make the kids creative thinkers.

We take this opportunity to thank and appreciate all our parents for the support extended to us in all aspects.

Principal  
Best Wishes

## **REPUBLIC DAY CELEBRATIONS**

Spring Board Academy, Miyapur, Hyderabad, celebrated India's 68th Republic Day. Students took pride in glorifying and celebrating the spirit of unity. To mark the importance of this day, a grand celebration was held in the school, and many activities were planned in the school premises. The school echoed with patriotic fervour as the children drew scenes of Republic Day celebrations, sang patriotic songs, and even wore tri-coloured clothes to mark the occasion.

## **SPORTS DAY CELEBRATIONS**

Spring Board celebrated Sports Day on 21<sup>st</sup> January, 2017 with full of energy and enthusiasm.

Springboardians organised and executed the event in the best way. Energetic participation was observed by all our students, staff and parents. Children took active part in different games like Relay race, Running race, Frog jump, Sack race, Chess and Kabaddi.

## **PARENT-TEACHER MEETING**

Communication between parents and teachers is essential for overall success of the students. Keeping this in view; Spring Board has been organizing regular Parent–Teacher Meetings in order to overcome the concerns of students, time to time.

**Thank you**
