Water Conservation

A special assembly on water conservation was held on June 6. Teachers gave speech on the importance of conserving water as water is a precious resource. Students also actively participated in the assembly by delivering speeches with chart presentations.

Soil Conservation

While we can see many of the changes we have made to our planet, some of the consequences are virtually invisible, and soil pollution is a good example. A special assembly was held on June 8 to highlight the importance of soil fertility and soil conservation. Students from primary classes spoke on the following topics: importance of healthy composition of soil components, soil pollution and the need to reduce soil pollution.

Independence Day - USA

A special assembly was conducted on July 4 after regular prayers. Teachers spoke about the celebrations held in USA on July 4. Children contributed by asking questions on the significance of July 4 and celebrations in USA.

Recycle Magic – Best out of Waste

Students were taught to use the waste and left out materials in an innovative way on July 7. Students of grade I and II made a rabbit face with paper plates.

Independence Day

August 15 is celebration of freedom and victory of Indians over foreign rule. Children were given badges of tri coloured flag. Our chief guest gave a speech, followed by a song by grade V students. R.Srikar of grade I and Sahasra of grade II read articles on freedom movement in English and Shourya of grade IV in Hindi. Babasree of grade IV orated the dialogues of Alluri Seeta Ramaraju. Finally, the celebrations ended with flag hosting and national anthem to remember all the heroes who fought for our country.

Recitation Competition

To enhance the reading and vocabulary of children a recitation competition was held on July 13. Recitation in English for grade III, IV, V had been an encouraging activity for the students. Students participated with great enthusiasm and gave their best. This competition was also held to reduce stage fear in children and to enhance their reciting skills.
