Principal Message

Dear Parents and well-wishers,

Greetings!!

“Children must be taught how to think, not what to think”--- Margaret Mead

The world today is changing at such an accelerated rate and we at Spring Board Academy try to impart education to match the advancement in technology and globalization.

We work towards all round development of students to be sensitive and responsible citizens of the next generation.

We thank our parents and well-wishers for their support. Through collaborative effort we can achieve more benefit to our students.
