Extempore Speech Competition

Public speaking is gradually becoming an integral part of a student's life. So, it becomes imperative to prepare them from the early stages of their school lives. Keeping this in view, an extempore speech competition was held on 21st January, 2019. Students were asked to pick up chits for the topics. The event helped the students in working on jotting down the information in a limited time and arranging their ideas in a sequence before they speak.

Students actively participating in Extempore Speech Competition.

Republic Day

The 70th Republic Day was celebrated at Spring Board Academy, Puttur on 26th January 2019. The day began with prayer followed by hoisting of the national flag by the principal. Principal, teachers and students delivered inspiring speeches that instilled the pride of nationalism in the hearts of the students.

Students participated actively in cultural programmes like singing patriotic songs, dancing, performing pyramids etc.

Group Singing Competition

An inter house singing competition was held on 1st February, 2019 on the theme 'Patriotism'. The competitors presented a variety of songs. Great support was rendered by the audience.

All the young maestros who took part in the competition made the competition a great success. The winners were appreciated by the teachers and the audience.

Students giving solo and group performances.

Annual Sports Day

“Talent wins games, but team work and intelligence wins championships”.

Sports Day has given a great platform to the students to showcase their kinesthetic skills. Students participated in kho-kho, Kabbadi, tennis, chess etc. Audience were highly impressed by the kids' performances. Principal announced the winners after the final competition and appreciated the participants for their efforts.

Students playing games enthusiastically.

National Science Day

National Science Day was observed on 28th February, 2019 in remembrance of Sir C.V. Raman and his great discovery - Raman Effect. He was also the first Indian to win the Nobel Prize in Physics.

In Spring Board Academy, Puttur, we organized science fair to mark the day. Students exhibited science projects on different topics in Physics, Chemistry and Biology. Visitors keenly observed each and every exhibit and appreciated the students for their efforts in making the models and for their presentation.
