Vinayaka Chaturthi

Lord Ganesha is the Lord of Education. We decorated our school with flowers and mango leaves on Vinayaka Chaturthi. Whole school assembled in play area and prayed to Lord Ganesha. The Principal and the teachers spoke about the importance of Ganesh pooja. We recited GANESH slokas and sang devotional songs. We were given Ganesh idols. We also learnt to make Ganesh idols using clay.

Krishnashtami

The birthday of Sri Krishna is celebrated as Krishnashtami. We have celebrated Krishnashtami on 14th August, 2017. Children were dressed as Lord Krishna and Gopika, and they looked very cute. We decorated the campus with flowers, mango leaves, charts and footprints of Lord Krishna. Teachers made us to recite Krishna slokas and songs. Students sang songs and performed dance on Lord Krishna songs. All teachers and students enjoyed Utti breaking ceremony. Finally our teachers distributed flutes to all students.

Onam Festival

ONAM is the festival of flowers, celebrated in Kerala. We celebrated Onam in the campus on 25 August, 2017. We have decorated school premises with Pookalams (flower rangoli) and Diyas. Our pre-primary children came in traditional attire and they all looked beautiful. All our teachers came in traditional Kerala Saris. Principal delivered a speech on the importance of ONAM festival.

Field Trip

Generally, we go to many trips in our life. But a field trip with our school was little special. On 30th august, 2017, we went to a field trip to [RAJAHMAHENDRA VARAM](#) .

We have enjoyed a lot in the bus. The first place we have visited was [ISKCON](#) temple. The architecture in this temple is extraordinary. After that we visited [RELIANCE MART](#). In the afternoon, we had delicious lunch together.

After lunch, we moved to [NISSAN CAR](#) showroom. We saw different models of cars and we visited Nissan workshop. We observed different parts of a car, repairing of cars and different colours of the car paintings.

Finally, we visited [COTTON MUSEUM](#) in Dhawaleshwaram and we observed the mechanism and models of dams. We saw the plans of sir Arthur Cotton, photo gallery of construction of dam, and a live project of flowing of river Godavari.

Finally by 5:30 in the evening we reached our school.

Elections

In our school, elections were conducted on 19th August to elect head boy, head girl, deputy head boy, deputy head girl, C.C.A coordinator, sports coordinator, house captains, and junior head boy and junior head girl. All students have participated enthusiastically in this event.

On the previous day, contestants have filled and submitted their nomination forms. They were allotted symbols and have participated in the campaigning. Elections were conducted in two sessions and all students cast their votes. All students enjoyed a lot and acquired knowledge regarding election procedure.

On 21st August, results were announced in the assembly and the winners were awarded a token of honour.

Talent Show

Everyone has some internal ability which appears as a talent. All are equally talented, if they exhibit their abilities properly. We got an opportunity to show our talent in the Talent Show conducted in our school on 22nd July, 2017. Students from grade I to IX have participated in the event.

Students have shown their talents in different events such as drawing, painting, dancing, singing, clay craft, rubic cubes, abacus etc. Best performers were honored with certificates on Independence Day.

Participating in such events helps students to overcome their stage fear. It also provides a platform for students to participate in different events.

Independence Day

August 15th is one of the most important days in the Indian history. This is the day in the year 1947 when we got independence from the British rule. The Indian flag was designed by Pingali Venkayya.

In our school, we started independence day celebrations at 7:45 am. After flag hoisting, we did March past. The principal delivered a speech about the importance of Independence day. We have given speeches and performed in cultural activities. Some children formed human pyramids.

Winners of the different events were awarded certificates and the program ended with the National Anthem followed by the distribution of sweets.

Raksha Bandhan

Raksha Bandhan signifies the bonding of love between brothers and sisters and human relations. It also symbolizes the bond of friendship. Every brother along with his sister celebrates this Rakhi festival.

In our school we have celebrated this festival with joy. Girls tied Rakhis to boys in school and in return they have promised them to continue the relationship lifelong.
