## ANNUAL ARTS AND SCIENCE FAIR

The Annual Arts and Science Fair was conducted on 21st October, 2017. Students from grade 1 to grade 9 have participated in the event. They have exhibited several interesting and creative working models.

The day begun with a great curiosity and enthusiasm. Students exhibited their models and presented them to the visitors. The appreciations from the parents and other visitors have boosted the students' morale. It was a wonderful event and a great learning experience for the students.

## FIELD TRIP

A field trip gives a new experience to the students to relate their learning with the real life.

Students were taken to Rajamahendravaram Airport on 4<sup>th</sup> November as part of the field trip. Students have observed the landing and take-off of the flights in the airport. They have interacted with the airport authorities and clarified their doubts. Next, the students went to River Bay and enjoyed a lot.
