## Krishnastami

Sri Krishna Janmashtami is celebrated to commemorate the birth of Lord Sri Krishna. We organized the celebrations in our campus on 1<sup>st</sup> September. The event started with Sri Krishna pooja and prayer. Students from primary and high school played the roles of Lord Sri Krishna and Gopikas and enacted their respective roles. Few students sung Sri Krishna bhajans and performed dance. The event concluded with a speech from Principal on the significance of the festival.

## Spin-Go Super Market

Children should have exposure to world apart from school. To spread awareness, we conducted Spin-Go Super Market activity on 5<sup>th</sup> October.

We arranged different stalls in our campus like books stall, consumables stall, vegetable market and fruit market. Nursery and PP-I students dressed as vegetable vendors and shopkeepers.

Majority of the parents participated and bought different items from children. Students enacted like vendors by calling out the names of vegetables, fruits and their respective prices. They sold various items with great interest and enthusiasm. Parents visited the stalls and bought stationary, groceries and vegetables from children. Children enjoyed and gained knowledge from this activity.

## Field Trip

Learning within the four boundaries of school may not be interesting. Field trips are part of the learning experience and are planned as an extension to the classroom curriculum. An outing helps students to relax and experience new things when they visit new places.

On October 6<sup>th</sup>, students visited Rajamahendravaram as a part of field trip. On the way to river bay we got down near a stall where jaggery is made and the children observed the process of obtaining jaggery from cane juice. Children enjoyed playing in water, rain dances and swimming. This trip has given immense pleasure to children.
