## Principal's Message

Greetings!

Education plays an important role in enabling a person to face a real life situation with adequate knowledge. School is a temple of learning and in Spring Board Academy we always strive to provide value based education to our students. If innovation and novel ideas are a key to a bright future, we are always ready to uplift our students and guide them in accomplishing their goals. Another promising year ahead and I convey my best wishes to my students, teachers and parents for a colorful and successful academic year.

I congratulate the editorial board and participants for their efforts in bringing out the second issue of the e-magazine.

**Principal**

## Babu Jagjivan Ram Birth Anniversary

The festival celebrations reached a crescendo as the students came together to add grace to the festival celebrations.

Notice board decorated with the theme

## World Health Day

World Health Day provides an opportunity for the school community to come together for a day to focus on actions that can improve our health.

As a part of the celebrations, the science department organized a fair for creating awareness about health.

The students delivered speeches emphasizing on good eating habits such as having a balanced diet, drinking plenty of water, having a fruit in every meal, and drinking a glass of milk every day. Thanu Shree of Grade VI spoke about the importance of sports & exercise.

**Students explaining the importance of balanced diet**

## World Earth Day

The World Earth Day is an annual event celebrated on April 22<sup>nd</sup> in our school. Children of Grade IV spoke about the need to save the mother Earth. They emphasized the importance of using paper bags, cloth bags and stressed on the three 'R's – Reduce, Reuse and Recycle.

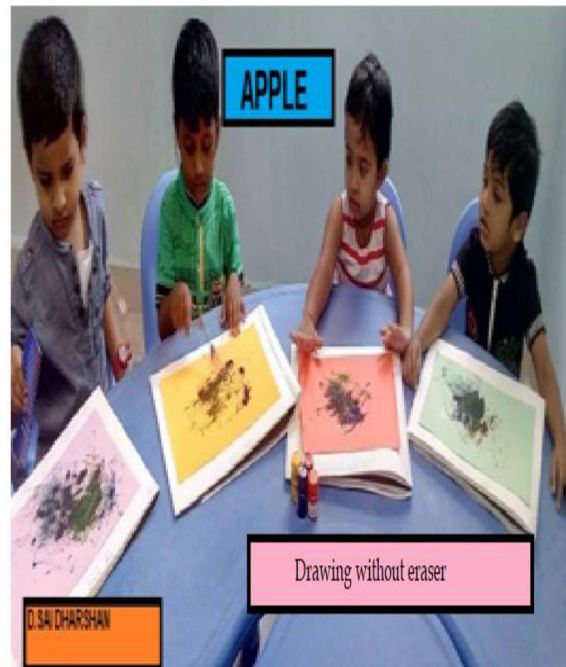

**The necessity of using recyclable materials**

## Summer Camp

The Summer Camp was organized in our campus during the month of April and May. It was a fun filled learning program for our tiny tots. They loved being part of interesting activities like paper boat making, Icy fun, Dinosaur made out of origami paper, Drawing without eraser and many more.
